PUBLICATION PROCUREMENT AND EXPLOITATION CONFERENCE

141000 March 1957

Pentagon Room 2C464

AGENDA

1. Briefing by Air Force representative on Air Force procurement and exploitation of Sino-Soviet Bloc publications with emphasis on methods employed to avoid duplication of effort and to insure coordination.
2. Consideration of the preparation of a guide for briefing visitors to the USSR (and other "Iron Curtain" countries) on publication procurement.
3. Consideration of the preparation of an interrogation guide on Sino-Soviet Bloc publications.
4. Review of the periodical procurement program established by paragraph 18b, AR 381-25.
5. Discussion of procurement of South and Central American publications, to include an evaluation of the quality of the available publications and the extent of current procurement.
